Observations & Suggestions of the Committee

Background of the College

BACKGROUND OF THE INSTITUTION

E.G.S Pillay Engineering College is a pioneering Engineering College, established in the year 1995, at Nagapattinam, which is a typical rural and backward area of Tamil Nadu. The institution was created by Late G. S. Pillay. He was born on 2nd January, 1930 in a poor family. He was deprived of education due to his family circumstance. He went to

Seychelles when he was 15 years old in search of employment for his livelihood. Through his sincere, hard and dedicated work, he started his own business in Seychelles in the year 1960 and from then on, he consistently scaled newer heights in his business ventures in that soil. His Dream of providing education to scores of underprivileged rural youth, paved the way to establish the Group of educational institutions in his birth place.

The E.G.S Pillay Engineering College, Nagapattinam was the first institution established by Mr.G.S.Pillay in the year 1995 aiming at providing world class education in engineering, fostering industrial prosperity and aiding the socio-economic development of the nation at large. The institution was affiliated to Bharathidasan University, Trichy during the years 1995 to 2006 and afterwards the affiliation is being accorded by the Anna University.

The college is located in the significant pilgrimage zone of south India covering Velankanni, Nagore and neighbour state Karaikal-Thirunallar. It is situated close to East Coast Road (ECR) between Karaikal and Nagapattinam and 2 km from Nagore. The nearest Railway station is Nagapattinam which has direct link with Chennai and Trichy. The nearest airport is Trichy which is 120 km away and that of Chennai is 350 km away.

The college is stepping into 20th year of excellent service in the year of 2015. Over these years, the college has attained commendable growth by developing itself in every aspect, in terms of academic programs, infrastructure development, staff recruitment, students admission, project and research activities, Transport, Training and Placement, centralized library, Sports and games etc.,

The college offers 6 UG degree program in B.E/B.Tech and 6 PG degree programs in M.E including MBA and MCA.

The Programs are

UG Courses:

- B.E – Mechanical Engineering
- B.E – Civil Engineering
- B.E – Computer Science and Engineering

The Faculty strength of the College is 225 and the college maintains the staff-students strength ratio of 1:15 for ensuring effective and quality education to the students.

Merits/Observations

- Accredited by NAAC with 'A' Grade
- Provisionally Accredited by NBA – 3 UG Courses – (B.E - CSE, EEE and Mechanical)
- The Institution have UGC Section 2 (f) and 12 (B) status
- Anti ragging committee is in place
- Clean and Green Campus
- Well disciplined students
- Supportive & Cooperative management
- The college is well connected by road and train transport facility (ECR and NH45A)
- Well-equipped Library and Audio-Visual studio
- College has reward system for high performing students and faculty members.

- Gym, indoor and outdoor game facility available.
- Group insurance scheme for students and faculty
- Scholarships
 - Meritorious scholarships
 - Sports scholarship
- Wi-Fi and CCT enabled Campus

Demerits/Suggestions

- The institute should prepare a strategic plan in consultation with all the stake-holders, peers and experts from the premier institutions. The same should be in line with the vision of the institution and the present available strengths.
- Based on the strategic plan, it should develop an action plan for its implementation.
- The institute should bring on board more industries for designing and delivery of these courses.
- The available equipment in all the labs needs modernization so that the laboratories can be used for both UG/PG teaching and research purposes.
- A closed tie-up with industry for setting up state-of-the art laboratories need to be established on campus. This could also help industries to use some of its CSR funds and build up some of such laboratories.
- Choice based credit system needs to be strengthened by providing an opportunity to students to pick up multi-disciplinary/inter disciplinary electives of their choice.
- Modern equipment in the labs needs to be upgraded and more minor projects given to students
- Attention may be put on retention of faculty by giving them (i) incentives and Creating Research and development environment
- Faculty to be sent for upgradation of qualifications

- Placement may be improved both in terms of quality and quantity. The institution should provide training of preplacement
- More focus on practicles to be given and students encouraged to work on innovative projects with relevance to local region
- Choice based system to be introduced.
- Faculty may be encouraged to publish in good reputed SCI journals
- It is suggested that one senior experienced faculty from premier institutions may be appointed to act as a mentor for strengthening R&D and teaching

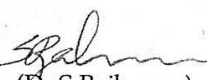

Recommendations of the Committee:

The committee on the basis of above observations, visit to various academic departments, review of infrastructure facilities and interaction with various authorities and stake holders unanimously resolves to recommend to the UGC to consider the approval of autonomy to ESG Engineering college for a period of SIX years i.e. from 2017 - 2018 to 2022 - 2023.
