

Initiatives, Implementation and Impact Analysis related to Industry Interaction

S.No	Initiatives	Implementation	Impact Analysis
1	Industry Supported Laboratories / Memorandum of Understanding (MoU)	MoU is signed between the industries with mutual benefits by sharing knowledge, consultancy, students internship, in- plant training, teaching collaboration, Research and Development, publications.	<ul style="list-style-type: none"> ✓ Support in designing the curriculum and syllabus ✓ Supporting in setting of new laboratories ✓ Training for students and faculty ✓ Internship for students ✓ Support in research projects ✓ Consultancy work ✓ Placements ✓ Guest lectures ✓ Industrial Visits
2	Design of Curriculum and Syllabi	Industry Experts Invited for BoS Meeting to involve in the process of design of curriculum and syllabi	Suggestions given by the industry experts are incorporated while finalizing the curriculum and syllabi of B.Tech IT Programme
3	One Credit Course / Value Added Courses	Courses related to the recent trends are identified and offered to the students by the experts from Industry.	Students developed their skills and knowledge in recent trends and practices in industry. Students' gain knowledge on the subject and confidence to face the core placements.
4	Industrial Visits	Faculty and Students visit the industries as a part of teaching and learning process.	Industry visits help the students to relate their knowledge gained in classroom and laboratory.
5	Internships	Students are encouraged to do an internship in industries during vacation period and virtual internship also supported	Students able to learn industrial practices and to enhance the employability.
6	Consultancy	Faculty approaches the industry to collect industry related problems Industry problems are solved collaboratively with the students and staff	<ul style="list-style-type: none"> ✓ Student's will gain experience in solving industry problems. ✓ Interacting with industry officials improves student interpersonal skills

Memorandum of Understanding (MoU) with Industries

Objectives of MoU are

- To provide an insight in the latest developments/requirements of the industries.
- To arrange Joint Seminars from field personalities and to share their knowledge with students.
- To provide guest lecture(s), seminar, workshop, internships, industrial visits and skill development programmes.
- To setup fully funded / partially supported laboratories at our institution.

MoU with industries

8th Oct, 2015

To
Mr.S.Manikandan
HOD-IT
E.G.S. Pillay Engineering College
Nagapattinam

Respected Sir,

Greetings from ICTACT.

We are pleased to inform you that VMware IT has approved your esteemed institution as one of 50 in the state of Tamil Nadu to receive status of "VMware IT Academy" in the field of 'Data Center Virtualization'. Your institution will receive these special benefits:

1. **Agreement with VMware IT Academy:** Kindly log on to <https://labs.vmware.com/vita-agreements> and sign the agreement after registering. Kindly give a mail to saravanan@ictact.in. We will approve the same with VMware.
2. **Branding** – VMware will provide a certificate for the institution and also approve branding in front of the college and college website. (Designs provided by ICTACT)
3. **Training Faculty** – VMware will provide its Data Center Virtualization-related training periodically to college faculty through ICTACT.
4. **Training and Certification for Students** – Students can take up the Data Center Virtualization training through the trained faculty and pursue certification, facilitated by ICTACT.

The Next steps

1. Organize a formal inauguration of the "VMware IT Academy" at your institute where senior members from VMware visiting the institution will formally open the academy. The event will include a 2-hour expert guest lecture for students and faculty members of CS and IT streams.
2. The trained faculty members of the institution shall instruct the students registered for the Data Center Virtualization course and get them certified through VMware & ICTACT certification process by the end of December 2015.

Please contact Mr.Saravanan (95000 46714) for further guidance and support on this initiative.

Thanks & Regards,

B Anbuthambi
Vice President – Education Initiatives

Centre of Excellence**Feedback Collection**

For each event we are collecting feedback from the participants (<https://docs.google.com/a/egspec.org/forms/d/e/1FAIpQLSfkALgJnSMr6IzEB5QcXZAoud51z6cC7iBvnhV> (<https://docs.google.com/a/egspec.org/forms/d/e/1FAIpQLSfkALgJnSMr6IzEB5QcXZAoud51z6cC7iBvnhV8Ttnh8g6sLQ/viewform?c=0&w=1>)) and Based on the feedback, if the expert did well means we will call the resource person for upcoming programmes. If we get any comments, we will inform it to respective conveners to analyses the feedback and give the recommendations.

Expected Outcome:

- ✓ Enhanced the knowledge of the students about the practice in the industry.
- ✓ Brought awareness among students about the expectation of the industry.
- ✓ Students were able to understand various jobs available in the industry and decide their career path.
- ✓ Students are improving their academic performance and realizing their responsibilities.
- ✓ 5 students got placed in the company due to the industry institute interaction activities in last three years.
- ✓ Students have improved their team spirit equipped themselves as role ready engineers for the industries.

Industry Involvement in the Program Design and Curriculum

The process of design of curriculum and syllabi, derives the inputs from various industrial experts. The following Table gives the details about few of the major invited experts who were involved in the design of curriculum and syllabi of our programme.

Industry Involvement in program design and curriculum

Sl.No.	Name
1	Mr. MUBARAK Managing Director, Vivid Infotech Software Solutions No :25D/4, Virugambakkam, Chennai – 600092 Ph: 044 – 42023564 Email: Mubarak@vividinfotech.com

3	Mr. Yogeshkumar Senior Project Lead L&T Infotech Email: myogeeskumar@gmail.com Mobile: +91-95000-36077

Industry Involvement in Partial delivery of the courses

Guest lectures and Training programs by the industry experts is one of the best practices followed in the department. Through these programs, students come to know about the recent trends in industries and about other industrial practices. As per the institutional regulation, Students can opt for one-credit courses of 15 to 20 hour duration, which will be offered by the experts from the industry on specialized topics. Students can opt for such one credit courses during the semesters III to VI as and when these courses are offered.

A student will also be permitted to register for the one-credit courses offered by other Departments, provided the student fulfils the necessary pre-requisites. The assessment shall be conducted and the evaluation will be done by the course coordinator. The following table gives the details about assessment procedure followed as per regulations 2017 & 2019 and details of one credit courses organized with industry experts.

List of One Credit Courses

Initiatives related to industry internship/summer training

Students are motivated to take project, industrial training and go for industrial visit in various industries. Also we have signed MoU with leading industries (TCS, UiPath, OneYes, CISCO Systems Corporation, Palo Alto Networks, ICT Academy, AWS and Onsite seminar on All India Radio, Karaikal, BSNL Karaikal, etc). So every year our students are going to participate various internship, certification and training programmes conducted various industries. As per our regulation internship/inplant training is mandatory and credit has to be given. At the end of 6th/7th semester students must submit report and give the presentation to HoD/Internship coordinator. The following are the internship and training programmes attended by our students and expected outcomes:

- Students have hands on training in the industry and equipped themselves as role ready engineers when they are graduated

- Students understood the expectation of the industry.
- Students were able to decide their career path based on their area of interest.
- Students become matured in interaction and realized their responsibilities.
- 15 students got placed in the companies through the internship in last 3 years

Assessment of industrial Visits / internships and feedbacks:

After completion of internship / industrial visit, each student is assessed by the coordinator or faculty in-charge. Marks are awarded based on the knowledge gained during that period of internship and industrial visits.

Evaluation Procedure for Internship / Industrial Visit (R2017 & R2019)

S.No	Type of Assessment	Marks
1	Test	40
2	Presentation / Quiz / Group Discussion	40
3	Final Examination	20
Total Marks		100

Internshala Students Selection Certificate

16/12/2019

Dear Asfar,

Welcome to Internshala Student Partner (ISP) 16!

We hope that you are excited to embark on a 70-day transformational journey with us. At Internshala, we consider the ISP team to be our biggest strength when it comes to educating college students across the world about the power of internships and online trainings. Thus, we take pride in hiring ONLY the best and the brightest! We are sure that you would play a vital role in helping us realize our vision of creating a world full of opportunities for the students.

Your appointment as an ISP will be governed by the terms and conditions presented in **Annexure A**

Congratulations!

Warm regards,

Dell EMC Certification

Date: 19th July, 2021

Subject: Internship Completion Letter & Letter of Recommendation

TO WHOMSOEVER IT MAY CONCERN

We hereby declare that **Nithya Sri G** has successfully completed the tenure as a Data Science Intern with Innomatics Research Labs, from 19th April 2021 to 3rd July 2021.

Throughout the internship of Nithya Sri, we have seen her dedication towards the work and how skillfully she overcomes complex challenges that are essential to being a Data Scientist.

We found Nithya Sri to be an extremely hard working, reliable and efficient individual who can work independently or with a team, and is able to follow through to ensure that the job gets done within the given deadlines.

As of 3rd July 2021, we certify that her internship is complete.

Nithya Sri would be a tremendous asset to your organization and has our highest recommendation.

Best,

Raghava Krishna Kinnera
