DEPARTMENT VISSION & MISSION

VISSION

To foster academic excellence in Mechanical Engineering Education and Research and turn out students into competent professionals to serve the society.

MISSION

M1: To produce successful mechanical engineers through innovative teaching and learning processes and by enhancing the knowledge and skills of faculty members and supporting staff through various training programmes.

M2: To establish state-of-the-art laboratories and centers of excellence to promote good quality education, research and consultancy for industrial and societal needs.

M3: To prepare the students for higher education and successful engineering careers by inculcating leadership and entrepreneurial qualities, team work capability, interpersonal skills, lifelong learning, moral and ethical values.

HOD'S MESSAGE

Dr.N.RAMANUJAM,M.Tech,Ph.D
Professor/Head
Department Of Mechanical
Engineering
E.G.S Pillay Engineering
college,Nagapattinam

I am delighted to extend a warm welcome to each of you as we embark on an enlightening journey at Mectroz 2k24, hosted by the department of mechanical at E.G.S Pillay Engineering College. This symposium brings together a diverse group of experts, professionals, and enthusiasts to explore and discuss cutting-edge developments in mechanical engineering.

As the Head of mechanical engineering, I am thrilled to witness the convergence of brilliant minds, each contributing to the rich tapestry of knowledge that will undoubtedly emerge from this event.

I encourage you to actively participate in the sessions, ask questions, and take full advantage of the networking opportunities. The success of this symposium depends on the synergy of its participants, and your contributions are integral to the overall experience.

I would like to express my gratitude to our distinguished speakers, sponsors, and organizing committee for their tireless efforts in curating this exceptional event. Their dedication ensures that Mectroz 2k24 will be a catalyst for innovative thinking and meaningful connections.

Thank you for being a part of this exciting endeavor. I look forward to witnessing the exchange of ideas and the formation of lasting connections that will undoubtedly emerge from this symposium.

Wishing you an inspiring and fruitful experience at Mectroz 2k24.
